Dear Barbara,

I am going away from Ranchi to the village house and expect to be back in November.

I had written you some typed sheets which I hope you have received.

I have just found a "document" which my father had submitted to the then Governor of Bihar ~ 1935 in which many interesting details of Porahat Estate are given. You can see it when we meet again. One point I will mention right away. Khasawan & Saraikella were created by the British Govt. out of parts of Porahat Estate quite recently, so their claim that they are "Ancient" is not correct. These small Estates were created after 1857 when the then ruler Arjun Singh was supposed to be in revolt against the British.

Hope to see you in winter, & with best wishes,

Yours Sincerely,

V. S. Pramar
